

Program Admission Requirements and Student Selection Criteria

(organized by program attrition rates for the Fall 2000 new student cohort)

attrition	SELECTION	
12.5000	interview, pre-entrance test, references	We offer a slot in the next class no waiting list because we place them out to the next class. They know when they are going to enter.
36.0825	High school graduate or equivalent; meet minimum score for TOEFL if necessary; must be a US citizen or legal resident; submit official SAT or ACT test scores (will be waived for those with 72 semester hours of college credit); a grade of C or better in algebra, chemistry and biology courses; document current CPR certification; submit proof of current listing on Nurse Aide registry in NC (waived for LPN-ADN option students).	Ranking system. Wait list with space offered as it becomes available.
36.3636	Complete application form; submit high school or college transcripts; meet minimum scores on the SAT or ACT exams; have a recommendation from a counselor, teacher, employer or clergy; submit TOEFL score if English is a second language. Required high school units are: 4 units in English, 2 units of Social Studies, 2 units of Science (including Chemistry) and 2 units of Math.	By calculated GPA in descending order.

Do you ever admit students into the ADN program who do not meet the admissions selection criteria you have described?

No 2 (66.7%) **Yes** 1 (33.3%)

If yes, under what circumstances?

- Students only admitted by the Admission, Progress & Graduation Committee upon special consideration.

Program Adaptations to a Changing Educational Environment

Please indicate if your program currently uses each of the following strategies in your ADN program:

	No		Yes	
	#	%	#	%
Evening courses offered?	2	66.7	1	33.3
Entire program available in the evening?	3	100	0	0
Weekend courses offered?	2	66.7	1	33.3
Entire program available on the weekend?	3	100	0	0
Entire program available in an evening/weekend 'package'?	3	100	0	0
Do you offer an 'accelerated' program?	3	100	0	0
Web-based courses offered?	2	66.7	1	33.3
Entire program available via the Web?	3	100	0	0
Off-campus course offerings?	3	100	0	0
Number of courses offered off-campus last year:				na
Entire program offered at satellite campus sites?	3	100	0	0
Number of satellite sites where program is offered:				na
